## About Bernie's Delicatessen

Bernie and his family were co-owners of Wagshal's Delicatessen in Washington, DC - the oldest, continuously operated Delicatessen in Washington. Frequented by presidents, politicians, Supreme Court judges and celebrities since 1925, it has become a Washington institution!

Tired of the long daily commute into the city, Bernie, who has been a resident of Northern Virginia since the 1970's, decided to open up a location closer to home. Bernie's Delicatessen & Gourmet Market in Fairfax, Virginia continues the traditions started over 80 years ago in Washington!

Bernie's offers the highest quality authentic NY style delicatessen specialties as well as old fashioned comfort foods that celebrate America's melting pot.

Simply put...Bernie's is a place for everyone who loves good, honest comfort foods!
